

DISTRICT 7330 – STRIKE OUT HUNGER

JOIN US FOR THE ANNUAL STRIKE OUT HUNGER FUNDRAISING EVENT

This Summer’s Strike out Hunger event will be a home game with the Washington Wild Things. Rotary will be the main attraction at Consol Energy Park in Washington.

We will have Public Service Announcements (PSA) on the Jumbotron, there will be Rotary news displayed on the Digital billboard on I-70, Rotarians will sing the National Anthem, we will get both radio and newspaper coverage and... the new District Governor will throw out the first pitch.

Attending Rotarians will enjoy a pre-game party in the park. We will have an all-you-can-eat buffet and a private cash bar. We will also be seated together for the game. This is an event that will promote and reinforce the **Family of Rotary**.

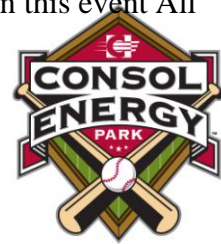

In addition, we will involve the public and ask them to bring a dry or canned food item to the game. We will have scouts at the gates to help collect donated food items. A donation will be made to YOUR local food bank based upon YOUR participation in this event All food banks in District 7330 will benefit.
